Greetings!

We are happy to welcome you to the Clinton College family, a college that has a rich and proud heritage. Since 1894, Clinton has been providing an academic environment that promotes intellectual and spiritual growth, moral values and leadership development. We are an accredited four-year liberal arts institution and one of the over hundred (100) historically black colleges and universities (HBCUs) that have produced many of the nation’s most outstanding leaders and pioneers in society, government and industry.

We are in one of the fastest growing cities in South Carolina: Rock Hill. Just a few minutes from downtown and the emerging Knowledge Park area, we are developing a world-class campus community. Rock Hill boasts of being recently voted an All-American City (2019) and soon-to-be the headquarters of the National Football League’s (NFL) Carolina Panthers. We are less than 30 minutes away from Charlotte, North Carolina, a national banking and finance capital and a fast-growing cultural and residential destination.

Built on the four (4) pillars of **1. Scholarship 2. Social Change 3. Spirituality 4. Servant Leadership**, Clinton has been producing scholars and leaders who are prepared to be agents of change in a global society for 125 years. As an institution established by the African Methodist Episcopal Zion (A.M.E. Zion) Church, we are committed to developing well-rounded graduates who are charged to make the world a better place. We challenge our students to be lifelong learners, engaged citizens, servant leaders and good stewards of the world’s resources. This is a village that equips and empowers our students in the classroom, on the campus, and in the community. Here at Clinton College we strongly believe in “Excellence without Excuse!” Welcome to our Village and the great legacy that makes everyone proud to be a Golden Bear!

Sincerely,

STATEMENT OF BELIEFS

As a college founded and supported by the African Methodist Episcopal Zion Church, Clinton College affirms and upholds the beliefs and tenets of the Christian faith as practiced by the AME Zion Church. Specifically, as enumerated by the Articles of Religion, as found in the Book of Discipline of the African Methodist Episcopal Zion Church and the Apostles’ Creed, we assent to the following:

**The Bible:** We believe that the Bible is the Word of God and contains “all things necessary to salvation (Article V).” We believe that it is authoritative in all matters of faith and morality.

**Original Sin:** We Believe that sin is the “corruption of the nature of every [person] that naturally is engendered of the offspring of Adam, whereby [humanity] is very far gone from original righteousness, and of [their] own nature(s) inclined to evil, and that continually.” (Article VII)

**The Trinity:** We believe that “there is but one living and true God, ever-lasting, without body or parts, with infinite power, wisdom and goodness; the [Creator] and preserver of all things, visible and invisible, And in the unity of this Godhead there are three persons of one substance, power and eternity – the Father, the Son and the Holy Ghost.” (Article I) Further, we believe that “the Son, who is the Word of the Father, the very and eternal God, of one substance with the Father, took [human] nature in the womb of the blessed Virgin; so that two whole and perfect natures, that is to say, the Godhead and [humanity], were joined together in one person, never to be divided, whereof is one Christ, very God and very [human], who truly suffered, was crucified, dead and buried, to reconcile His Father to us, and to be a sacrifice, not only for original guilt, but also for the actual sins of [humanity]. (Article II) We further affirm that “the Holy Ghost, proceeding from the Father and the Son, is of one substance, majesty and glory with the Father and the Son, very and eternal God.” (Article IV)

**Redemption:** We believe that “Christ did truly rise again from the dead, and took again His body, with all things appertaining to the perfection of [human] nature, wherewith He ascended into heaven, and there sitteth until He shall return to judge all [humanity] at the
Salvation: We believe that “we are accounted righteous before God only for the merit of our Lord and Savior Jesus Christ by faith, and not for our own works or deserving. Wherefore, that we are justified by faith only is a most wholesome doctrine and very full of comfort.” We further believe that the sacraments of the church are “certain signs of grace and God’s good will toward us, by that which He doth work invisibly in us, and [does] not only quicken, but also strengthen, and confirm our faith in Him.” (Article IX, Article XVI)

Eschatology: We believe that Jesus Christ died and was buried and “rose on the third day, from whence He shall come to judge the quick and the dead” at the last day. (Apostle’s Creed)

Ecclesiology and Ecumenism: We believe that the church is the visible expression of the body of Christ in this world and is a universal collection of believers serving and worshiping under the banners of different denominations.

PARKING POLICY

Responsibility
It is the responsibility of each student, faculty/staff member to be familiar with the locations on campus where parking is permitted and any/all rules pertaining to parking on campus. The campus map designates where students, faculty/staff and visitors may park. Clinton College assumes no responsibility or liability for fire, theft, damage to or loss of any vehicle or any article left therein. It is the responsibility of any operator/owner of a vehicle which receives a ticket to respond to that ticket; to properly identify themselves in communication regarding that ticket.

Enforcement
Parking enforcement is the responsibility of Clinton College Security and Facilities Department. Parking regulations and enforcement are in effect 24 hours a day, 365 days a year. Security officers may require identification of any person(s) on campus. Refusal to comply may result in the issuance of a citation, a towed vehicle and/or notification of the Rock Hill Police Department.

A ticket being issued to a vehicle constitutes a communication that there has been some problem issue observed pertaining to the parking of that vehicle. Vehicle owners, if known, may also be contacted regarding any situation of concern which might develop relating to a vehicle to warrant such engagement.

Parking signs
Parking signs are displayed on campus. The Parking signs designates where you are allowed to park.

Permits
All vehicles parked on campus that are owned or used by any student, faculty/staff must have a valid parking permit. Parking permits may be obtained through the Office of Business Affairs.*The College does not guarantee parking will be available. A permit is merely permission to park legally in one of the college lots.*
**Student permit:** Any student desiring a permit to park a vehicle on campus must purchase a parking permit in the Office of Business Affairs. Parking Permits are $25 per vehicle.

**Medical permit:** Medical permits are available for those students, faculty and staff having a vehicle on campus, and due to an illness, injury or other medical reason have a mobility issue which significantly limits their walking distance. Medical permits are temporary and are valid only for the duration of the medical issue.

**Faculty/staff permit:** All faculty/staff may obtain a no-cost parking permit from the Office of Business Affairs/Services. The permit allows parking in any designated faculty/staff lot or space.

**Permit placement**
The student parking permit decal must be applied to the most rear driver’s side window. Faculty and Staff parking permit decals must be displayed from the rear view mirror. If you have questions about placement of a parking permit or evidence of an illegally attached permit, contact Facilities, Campus Security of the Office of Business Affairs/Services.

**Lost, stolen or damaged permits**
If a vehicle is sold or involved in an accident that renders it inoperable, the old permit must be removed and returned to the office of Business Affairs/Services. A replacement permit will then be issued without additional cost. Lost or stolen permits must be reported to security immediately. Failure to do so may result in the owner’s vehicle being towed from campus, a fine and/or a referral to the Student Conduct Committee.

**Altered permits**
Altering a parking decal is a violation of the college’s parking policy. This may result in the vehicle being towed and the owner being fined and/or referred to the Student Conduct Committee. Altered permits will be confiscated and the vehicle’s owner will lose their parking privileges for the remainder of the academic year.

**Vehicle registration/permitting process**
If you bring a vehicle to park on Clinton College’s campus, you are required to register it with the Office for Business Affairs/Services. Registering a vehicle for a parking permit is the process of this requirement. Vehicles must be able to show a valid registration and up-to-date insurance (upon request) in order to be on campus.

**For students:** All vehicles must be registered. The parking permit enables the student vehicle to park on campus in designated “STUDENT” parking spaces, according to availability of those spaces; it also facilitates the ability for Security to be able to make contact should any situation or emergency arise concerning the vehicle warrant a prompt notification. No student vehicle may park on campus after the registration deadline without
a permit; the exception being those engaged in process and waiting for the issuance of a permit may park in student designated areas.

**For faculty/staff:** All faculty and staff must register their vehicles if they intend to park on campus at any time. Faculty and staff vehicles must be registered with the Office of Business Affairs/Services by the end of the first week of employment. There is no fee for a faculty/staff permit.

**Prohibited parking areas**
Parking is always prohibited in driveways, walkways, building exits, fire lanes, on grass or any place that would inhibit access of emergency vehicles. In such cases, the vehicle will be towed with or without notice and stored at the owner’s expense.

Vehicles that are not parked in appropriately designated spaces or in the properly designated location (i.e. faculty/staff parking, student parking, etc.) may receive a parking ticket and/or may be towed without warning or notice.

Parking in faculty/staff parking areas is open to students with permits between 5 p.m. and 7 a.m. during weekdays and between 5 p.m. Friday to 7 a.m. Monday over weekends.

**Parking during vacations**
Students who wish to leave their vehicle on campus over any break must contact Security to make appropriate arrangements. Students who are on campus during break may park the designated spaces on campus. Vehicles left in any other lots on campus after these times may be ticketed and/or towed without warning or notice.

RESIDENCE LIFE

The Clinton College residence community houses students in varied accommodations ranging from single and double dormitory-style rooms. Services and programs intended to enhance the quality of student life and to assure the security and safety of the resident student body is a priority for the residence life administration. All residents are served by live-in Area Directors and student resident assistants. At least one professional staff member is always on duty, 24 hours a day, seven (7) days a week. Security and safety
policies and procedures, especially regarding locking individual rooms and building doors and related precautions, are discussed with residents in crime prevention seminars, in routine floor meetings conducted by the residence life staff, and in printed material that is posted and distributed by the staff.

**Residence Life Mission**
Residence Life promotes both academic and personal success through maintaining a safe, supportive, and diverse living learning community.

**Residency Requirements**
Clinton College is a residential community; therefore, freshman students are required to live in on-campus housing for two continuous semesters. The housing agreement is binding for an entire academic year. However, students who live within a 25-mile radius of Clinton College may apply to live at home and commute from their parents’ or legal guardians’ permanent address. Students must complete a Off-Campus Housing Release Form, attach a map-quest or google maps document verifying the distance is 25 miles or less to the College and complete the notarized authorization form that is attached to the On-Campus Housing Release Form. In addition, students participating in an academic program that requires them to be away from campus (internship, study abroad, etc.) may apply for a mid-year release. Students leaving the College at the end of the fall semester will be granted a mid-year release.

Residing in the residence halls is a privilege, not a right. At anytime, students may be required to secure off campus housing if their conducts warrants, and there is a disregard for campus and/or residential life rules. This determination can be made by the recommendation of the Director of Residence Life in consultation with the college’s Judicial Board, or the V.P. of Enrollment and Student Success

**Pregnancy Policy**
Title IX prohibits discrimination on the basis of sex-including pregnancy, parenting all relation conditions, such as abortion-in educational programs and activities that get federal funding. This means that school must give all students who might be, are, or have been pregnant the same access to school programs and educational opportunities that other student have. College personnel will not tell students to drop out of classes or programs or change your educational plans due to your pregnancy.

Clinton College does not discriminate against a student because of pregnancy. A student should notify the Dean of Academic Affairs upon learning of her pregnancy. In stances where the student is a resident in the residence hall, the student should inform the Director of Residence Life as soon as she learns that she is pregnant. Confidentiality will be maintained and the information will be released only if there is a need to know by other individuals. It is important that pregnant students seek medical treatment as soon as it is determined that she is pregnant.

Clinton College is concerned about the mental and physical health of its students realizing
that a pregnancy can be very stressful. The college does not assume liability for the care of the student or any pregnancy related costs. The student must be solely responsible for any and all pregnancy related expenses. No medical resources are available through the college. Pregnant students may continue taking classes and engage in all other college activities if they choose to do so. Alternatively, the student may request a medical leave of absence until after the birth of the child. However, it is important that the student make arrangement for housing of the infant prior to delivery. Infants are not allowed to live on campus or visit the rooms of the residence halls. There may be instances during a student’s pregnancy that campus housing is not adequate to meet the student’s needs. If this should occur, The Vice President of Enrollment and Student Success may recommend that the pregnant student move to an appropriate residence off campus. Students who choose to remain on campus must understand that the College does not assume any responsibility should an incident occur.

**Residence Life Diversity Statement**

Residence Life values the diversity of students on our campus. We embrace everyone who make up our community while providing opportunities for education and support in an increasingly global society.

The RAs are students selected and employed by the Division of Enrollment and Student Success as members of the residence hall staff. RAs are available to assist students with adjustment to campus life. The mission of the Office of Financial Aid is to assist students in finding ways to pay for their college education such as scholarships, grants, student loans, and on campus employment. The Office of Financial Aid at Clinton College makes every effort to provide for the timely delivery of financial assistance to eligible students.

The types of aid available include federal grants, scholarships, and limited Federal student loans. All students are encouraged to apply at least six to eight weeks in advance of the term they plan to enter.

Financial need is determined by a standard needs analysis system using confidential data submitted by the parents and/or the student. The needs analysis establishes the financial need by deducting the computed family and/or the student contribution from the total cost of attending Clinton College. The Free Application for Federal Student Aid (FAFSA) is the needs analysis system used by Clinton College. It is used to determine eligibility for Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Federal Direct Student Loans and Federal Work Study.

In order for students to be eligible for Federal Student Aid, they must have either a high school diploma or a recognized equivalent (such as a General Educational Development certificate (GED) or have been home schooled.

Students receiving Federal Financial Assistance are required to meet the College's standards of academic progress. Additional, Federal requirements restrict the time frame that students receiving aid have to complete their program and require completion of a minimum number of credit hours each term. Failure to do so may result in termination of financial aid eligibility. Detailed information on the financial aid standards will be issued to all students receiving financial aid.

All awards of need-based financial aid are made annually, and students must reapply each year by completing a new or renewal FAFSA in order to be considered for assistance.

How to Apply for Financial Aid

In order to be considered for financial aid at Clinton College, students must first apply and be accepted for admission. However, students should not wait for a notice of acceptance before submitting their financial aid application. Students are encouraged to apply for financial aid as soon as possible after January 1st. If a student is eligible for funds, awards from these programs will appear as credits on his/her account once his/her financial aid award is finalized.

**STUDENT LOAN DEFAULT POLICY**

Students, who are at least 270 days late on a student loan payment, are considered in default. The loan holder will assume that the student does not intend to repay the loan and will ask the guaranty agency to buy the loan.

Once a student defaults on a federal student loan, Clinton College will not process any type of request for aid until this default is cleared. In order to verify that the default has been cleared, the student must submit to the financial aid office a copy of a letter from the agency that reported the default. Clinton College will cooperate with the guaranty agency by providing public information (name, address, and telephone number) to assist the collection process.

gives evidence of the ability to pass the course if granted the opportunity to complete an
assignment. Grades of “I” must be removed within the subsequent semester in residence
and, if not removed within the stated time frame, automatically become grades of “F”.

Repeated Courses

Students may repeat previously passed courses once and remain eligible as a full-time
student and entitled to receive Title IV funding. If a student successfully passed a course
and subsequently failed it, the attempted hours for the course will be subtracted from the
total hours enrolled in to determine Title IV eligibility. Students may repeat failed courses
until passed.

Withdrawals

Students withdrawing from Clinton College after receiving financial aid will be placed on
probation immediately. Withdrawing from Clinton College twice within the same
academic year will result in immediate suspension of eligibility for financial aid including
all state and federal student loan programs. A suspended student may reinstated in the
financial aid program after the completion of at least one semester of part-time study at
the student’s own expense or two semesters if the suspension is the result of two
withdrawals during the same academic year.

Appeals

A student who is determined ineligible to receive financial aid and subsequently loses
financial aid may file a written appeal to the Financial Aid Satisfactory Academic
Progress Committee through the Office of Financial Aid. The appeal must include a
formal letter stating the nature of the appeal, a completed appeal form, and all relevant
documentation to be considered by the committee. All appeals must be submitted no later
than June 30th fall semester enrollment and December 30th for spring enrollment. If
extenuating circumstances are proven, the student’s aid will be reinstated on a
probationary status and evaluated each semester based on the academic merit of the
student. If extenuating circumstances are not demonstrated, then the student’s aid will be
suspended for the next two semesters. Reinstatement for subsequent semesters will be
allowed if the student meets the College standards for Satisfactory Academic Progress.

Amendments to Financial Aid Policy

Clinton College’s financial aid policy will be modified as applicable federal and/or state
law and regulations are changed. Any other amendments to this policy, not required by
changes in laws or regulations will be considered through the institutional process for
revisions of policy.

GRANTS AND LOANS
Federal Pell Grants

Eligibility for the Federal Pell Grant is determined by a standard formula established by Congress. The formula is used to calculate the expected family contribution. The amount of student aid a student receives depends on the expected family contribution, the estimated cost of education, enrollment status and whether the student attends schools for a full academic year. Pell grant awards are dependent upon program funding.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The FSEOG is for students with exceptional financial need. Priority is given to students who received Federal Pell Grants. An FSEOG does not have to be repaid. Individual awards are based on need and availability of funds.

Federal Work-Study

The Federal Work Study Program provides part-time employment to enrolled students who need earnings for education expenses. The amount of work-study award will depend on the student’s financial need and the amount of money allocated for the program. In arranging a job and assigning a work schedule, the Office of Financial Aid considers the need for financial assistance, class schedule, health and academic progress. The student works an assigned number of hours each week, usually in a job related to the student’s major or other area of interest. The student is paid current federal minimum wages. The student must obtain a work-study contract from the Office of Financial Aid before reporting to work. The contract will explain in detail the hours the student works, how and when the student will be paid and other terms of the agreement. In order to continue to be eligible for work-study, his/her work performance must be satisfactory at all times.

The Federal Direct Stafford Loan Program

These are low interest loans that the federal government pays directly to students through their schools. They include Federal Stafford Student Loans—subsidized (need- based) or unsubsidized (with no need). For subsidized loans, the government pays the interest charges; for unsubsidized loans, students are responsible for interest. The interest rate for all loans is recomputed each year. The rate, which is variable, may not exceed 8.25 percent for student loans and nine (9) percent for loans to parents. To qualify for one of these loans, students must be enrolled at least halftime.

Freshman may borrow up to a $3,500 subsidized Stafford loan and $2000 unsubsidized Stafford loan if they are enrolled in a program of study that is a full academic year. Sophomores may borrow up to a $4,500 subsidized Stafford loan and $2000 unsubsidized Stafford loan if the remainder of the student’s program is a full academic year in length. Juniors and seniors may borrow up to a $5000 subsidized Stafford loan and $2000 unsubsidized Stafford loan if the remainder of their program is one academic year in length.

A one percent fee is deducted proportionately from each federal subsidized and
unsubsidized loan disbursement. This fee goes to the lending agency to help reduce the cost of the loan. If you do not make your loan payments when they are scheduled, you may be charged collection and late fees. The interest rates for federal Stafford subsidized and unsubsidized loans are set July 1st of each fiscal year by Congress.

After the student graduates, leaves school or falls below half-time enrollment, the student has six months before the student begins repayment. Students receive information about repayment in the mail. Nevertheless, students are responsible for beginning repayment on time, even if they do not receive the information. Under certain circumstances, students may be eligible to receive a deferment or forbearance on their loans.

REPORTS ON ACADEMIC PROGRESS

At the end of each semester an interim grade report will be sent to students and to their parents or guardians in accordance with the eligibility established under the Family Education Rights and Privacy Act of 1974/Buckley Amendment.

SATISFACTORY ACADEMIC PROGRESS

Federal regulations require that educational institutions measure a student’s progress toward a declared educational objective. Clinton College has established standards to measure a student’s academic progress for the fall and spring semesters. The standards will be applied uniformly to all students with determining their eligibility for federal, state, and Clinton College funds regardless of whether the student previously received these funds. Clinton College’s standards for measuring Satisfactory Academic Progress are measured by two standards:

- A qualitative standard—the student’s cumulative grade point average (GPA).
- A quantitative standard consisting of two (2) components:
  a. The maximum time frame a student is allowed to complete degree requirements. Clinton College students may remain eligible for financial aid for a maximum of 150% of the total semester credit hours required to receive a degree (e.g., 124 semester credit hours x 150% = 186 maximum allowable attempted semester credit hours for the Bachelor and 64 semester credit hours x 150%= 96 maximum attempted semester credit hours for the Associate for financial aid eligibility).
  b. The credit completion ratio of attempted semester credit hours. Clinton College requires all students to complete at least 67% of the total attempted semester credit hours each academic year.
Students must register for a minimum of twelve (12) semester credit hours each semester to be enrolled at full-time status at Clinton College. In accordance with the requirements of a quantitative standard, a full-time student is expected to complete all degree requirements within six (6) years for the Bachelor Degree and three (3) years for the Associate Degree.

Any course in which a student receives a grade of “D” or “F” may be repeated for appropriate course credit. In such cases, the higher grade will be used in computing grade point average of the student. The chart below outlines the required grade point averages to remain in good standing with standards listed above for students:

<table>
<thead>
<tr>
<th>Total Credit Earned</th>
<th>Minimum Required GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-17</td>
<td>1.50</td>
</tr>
<tr>
<td>18-30</td>
<td>1.75</td>
</tr>
<tr>
<td>31-63</td>
<td>2.00</td>
</tr>
<tr>
<td>64-124 and above</td>
<td>2.00</td>
</tr>
</tbody>
</table>

More importantly, in order to continue to receive financial assistance, students must strictly comply with the above stated requirements. Student transcripts will be monitored at the end of each semester to determine eligibility for continued financial aid. If a student does not meet one of the Satisfactory Academic Progress standards at the end of each spring semester, the student will be placed on financial academic probation; however, a student may still remain eligible for financial aid on a probation status until the end of the next semester of attendance at Clinton College. If at the end of the probationary period, a student fails to meet the probationary conditions mentioned above, the student’s financial aid will be suspended. Students whose financial aid has been suspended may enroll in courses at their own expense.

**CLASS ATTENDANCE**

Students are expected to attend all scheduled classes. Absence from class may have an adverse effect upon a student’s grade. Each instructor is expected to outline the attendance requirements at the beginning of the course and to include these requirements in the syllabus given to students.

Absences will be excused for the following reasons:

- a. Doctor’s excuse
- b. Official representation of the College
- c. Death of an immediate family member
- d. Court appearance/ Jury duty

It is the responsibility of the student to contact the professor and make the arrangements to make up the work. The professor is NOT obligated to allow a student to make up missed work due to an unexcused absence. Students who are absent from a class three times will be reported to the registrar and a written warning will be given to
the student. The professor or the registrar will withdraw the student from the roster or administer a failing grade if he/she has excessive absences in a class. Excessive absences in two or more classes will place the student on Academic Probation.

In addition, excessive absences from any class will jeopardize the student’s ability to stay on campus in the residence halls.

**ACADEMIC AND ADMISSION REGULATIONS**

**ADMISSIONS**

Clinton College has an Open Admissions Policy in that it has a curriculum designed to offer educational opportunities to a wide range of students who show academic promise. Clinton College welcomes students of all races, creeds, and national origins. In order to be accepted for admission in Clinton College, a prospective applicant must have a high school diploma or a General Education Development (GED) Certificate. Scholastic Aptitude Tests, such as the Scholastic Aptitude Test (SAT) or American College Test (ACT) are helpful for evaluation purposes, but not necessary for admission at Clinton College.

The U.S. Department of Homeland Security rules governing non-immigrant “F-1” foreign students require that all persons in this category pursue a full course of study. This means that students must register for a minimum of twelve (12) credit hours. Any modification of this requirement that results in a course load of less than this minimum must be authorized by the Registrar. Failure to observe these requirements will cause students to be ineligible to receive the I-20 form to support their nonimmigrant status.

Prior to admission, all students must furnish a copy of his/her background record even if a criminal history does not exist.
All students are welcomed without regard to race, religion, creed, handicap, nationality, or ethnic origin.

EDUCATIONAL OPPORTUNITIES FOR NON-TRADITIONAL APPLICANTS

Clinton College encourages individuals who are not of traditional college age 18-23, including military veterans or career military personnel, to pursue educational programs leading to the undergraduate degree. So that the college can outline specific academic programs and provide counseling in general, persons who are interested in these educational possibilities are urged to confer with the Vice President for Academic Affairs and to submit their credentials for evaluation.

APPLICATION PROCEDURE

Complete the on-line Application for Admission and the on-line Application for Financial Aid located on our website at www.clintonjuniorcollege.edu. READMISSIONS

A student who is expelled or suspended for disciplinary reasons, or who withdraws for more than one semester may re-apply for admission only after the period of suspension has ended and any stated conditions for re-application have been met. The student must complete the admissions packet and return it with the $25.00 application fee. If the student has attended another college in the interim, an official transcript from that institution is required. A recommendation from the Vice President for Student Affairs of that school is also required. Any student applying for readmission must adhere to the Admissions Policy and submit information requested on the Admissions Checklist. See Admissions Policy.

ADMISSION EXCEPTIONS AND APPEALS

Students denied admission on the basis of their documented criminal background may appeal to the Vice President of Enrollment and Student Success. The appeal should contain letters of support from individuals knowledgeable of the applicant’s character, behavioral improvement since the criminal conviction, and plans for the future. The Vice President of Enrollment and Student Success and upon advice of an attorney as needed,
will consider all factors in the appeal and make a case-by-case decision within the context of providing a safe and ethical environment for all Clinton College students.

RECRUITING POLICY
All employees or agents of Clinton College who engage in recruiting students to the college will introduce and explain the “Open Admission” policy and will encourage students to become productive, contributing, and successful adults through Clinton College’s avenues of education, socialization, and religion.

TRANSFER POLICY
For purposes of the transfer policy, a transfer student is anyone who has attended any postsecondary institution and has not received degree. This does not include high school students who are enrolled in college-level coursework. Students planning to transfer credit from Clinton College to other postsecondary institutions are responsible for confirming the transferability of courses to those institutions. Students planning to transfer courses from other postsecondary institutions to Clinton College must adhere to the following guidelines:

▪ Students must submit an official transcript from each postsecondary institution attended
▪ Students must be in good standing with the previous postsecondary institutions and must be eligible to return

ACADEMICS

Attendance Policy
Students are obligated to attend class regularly and to be on time for those classes. Absences, whether excused or unexcused, do not absolve a student from the responsibility of completing all assigned work promptly. Students who have missed assignments, announced and unannounced quizzes, or other classroom obligations due to
an excused absence will be allowed to make up the work after the appropriate
documentation has been presented to the college professor and a copy turned in to the
Office of Academic Affairs/Academic Dean. This documentation must be presented
within **two days** following the absence.

Absences will be excused for the following reasons, when supporting documentation is
provided:

- Illness or hospitalization, supported by a doctor’s excuse
- Official representation of the College, supported by a letter from a College
  administrator
- Death of an immediate family member, supported by the obituary or funeral
  program
- Court appearance or jury duty, supported by court documentation

It is the responsibility of the student to contact the professor and make arrangements to
make up the work missed for **excused** absences. The professor is NOT obligated to
allow a student to make up work that was missed due to an **unexcused** absence.

The following number of **unexcused** absences will be allowed without automatic
penalty to the final course grade, but such absences may still affect grades due to missed
work:

- For classes that meet three times per week: 3 absences
- For classes that meet two times per week: 2 absences
- For classes that meet one time per week: 1 absence

**GRADING SYSTEM**

The standard college grading system applies:

90-100  A
80-89  B
70-79  C
60-69  D
Below 60  F

For non-credit courses, C or above equals Satisfactory and below C is Unsatisfactory.
The “I” grade indicates that for some legitimate reason not all the work required of the student has been completed and thus a final grade determination cannot be made. All incompletes for courses must be made up no later than mid-term of the following semester (including those of students not then enrolled) or the “I” will become an “F”, this will be the case except under extenuating circumstances as determined by the instructor and the Academic Vice President.

REPEATING COURSES
Even though courses may be repeated, the prior attempts and grades are not removed from permanent records and credit hours are awarded only once. Other grades for the same course will be on record but will not be counted in the GPA.

CLASSIFICATION OF STUDENTS
Students are classified at the beginning of each semester for which they are registered according to records in the Office of the Academic President.

**Freshman:** Students who have earned less than 30 credit hours

**Sophomore:** Students who have earned 30 credit hours or more

CLINTON COLLEGE REFUND POLICY

Tuition Refund Policy

The College policy on refunds for students withdrawing from the College, whether voluntarily or by dismissal is set forth below.

Voluntary and/or Administrative Withdrawal

All students must officially withdraw from classes in order to receive a full or partial refund. To officially withdraw, a student must complete a Withdrawal Form and turn it in to the Registrar’s Office located in the Main Office of the Administration Building. Students must process the Withdrawal Form during the established timeframe to be eligible for a refund of tuition (see schedule below). The effective date of the student-initiated withdrawal will be the date the completed withdrawal form is received in the Registrar’s Office.

Payment will be required if a student does not attend class (es) (no show) and does not officially withdraw. If you are receiving Financial Aid and you do not attend (no show) or you do not meet the 10 day seat time attendance requirement, Financial Aid will be removed from your student account and you will be held responsible for all tuition and fees. Students will be billed for classes and the debt will be processed through the College’s collection procedures, if payment is not received.

Students who are administratively withdrawn will receive any due refund based on the official date of the administrative withdrawal (see schedule below).

Refunds will take approximately 3-4 weeks to process. The amount of the refund will be based on the official withdrawal date, according to the following schedule:

<table>

Refunds may be processed within sixty days room clearance.

**Boarding Refund Policy for Commuter Students**
The Boarding Refund Policy for commuter students who purchase a meal plan is the same as the tuition refund policy and the room and boarding policy for residential students.

**Method of Refund**

- If you paid your bill by money order, cashier’s check or credit card, you will receive a check from the college for any refund due to withdrawal.

- If you deferred payment of your tuition and fees through financial aid, loans, or another third party, then your 'refund' will actually be in the form of a reduction in your liability to the college. Any remaining credit balance (refund) will then be disbursed via check from the college for any refund which you are entitled. Refunds from credit balances are disbursed after 14 days of receipt of financial aid, loans or other third party funding source.

*Note:* The Office of Business & Finance will not accept cash payment or personal checks. All payments must be via credit card, money order or cashier’s check.

When students have acted in a way that is against the college’s standards of conduct, the student should expect that sanctions will be issued in every discipline case. This is based on several important factors, seriousness of the violations, their awareness about the problems caused by their behavior, one’s ability to learn in a more positive behavior as a result of going through a judicial proceeding.

**WRITTEN WARNING**

Written warnings will be issued by the Division of Enrollment and Student Success. This could lead to a more serious disciplinary action.

During this time the student is not allowed on campus or to use any facilities or equipment without permission of the Vice President for Academic Affairs and the Vice President for Student Affairs.

**INDEFINITE SUSPENSION**

A decision to indefinitely suspend a student means that his/her status at Clinton College has been terminated for an indefinite period of time. During this time, a student is suspended from all classes and campus activities and will not be allowed on the campus without the permission from the Vice President for Academic Affairs and the Vice President of Enrollment and Student Success Any violations of this will result in further sanctions.

The Vice President for Academic Affairs and Vice President of Enrollment and Student Success must approve readmission to the college.

**STUDENTS WITH DISABILITIES**

The faculty and staff at Clinton College are committed to providing educational opportunities to all students. Under the Americans with Disabilities Act (ADA) a person with a disability is defined as:

"Any person who (1) has a physical or mental impairment which substantially limits one or more major life activities, (2) has a record of such impairment, or (3) is regarded as having such impairment."

The Americans with Disabilities Act states:

"No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a public entity [college], or be subjected to discrimination by any such entity."

It is the policy of Clinton College to abide with ADA requirements and city inspection regulations for access to facilities and equipment.

The services for students with disabilities are designed to ensure full access to programs and services. The Americans with Disabilities Act of 1990 upholds and extends Section 504 of the Rehabilitation Act of 1973. Title III of the ADA states:
"No individual shall be discriminated against on the basis of disability in the full and equal enjoyment of the goods, services, facilities, privileges, advantages, or accommodations of any place of public accommodation by any person who owns, leases (or lease to), or operates a place of public accommodation. (42 USC 12182).” Clinton College does not discriminate on the basis of a handicap in violation of Section 504 and the regulations implementing it.

ACQUIRED IMMUNE DEFICIENCY (AIDS) POLICY

The purpose of the AIDS/HIV policy is to reassure students that AIDS is not spread through casual contact during normal student activities and to reduce unrealistic fears about contracting an AIDS virus related condition. This policy also protects the legal right to an education by students who are diagnosed with an AIDS virus related condition and provides guidelines for situations where infection with the AIDS Virus is suspected. Our policy is to encourage sensitivity to and understanding for students affected with a condition of the AIDS virus.

We are committed to maintaining a hearty educational environment by protecting the physical and emotional health and well being of all students on campus. We also have a commitment to provide an education to students who are physically able to operate in a college classroom setting. The AIDS policy is a direct outgrowth of this commitment. It provides guidelines for situations when a question as to an AIDS virus related condition arises. Listed below are major considerations:

- Students, residential and non-residential, who are diagnosed with an AIDS virus related condition may continue to pursue their educational goals if they are otherwise qualified.
- We provide AIDS education for all students to help them understand how AIDS is spread and to reduce unrealistic fears and anxiety or contracting an AIDS virus related condition.

CODE OF CONDUCT

The Code of Conduct exists to protect the persons and property of the College community and the rights of the persons in the College community. College premises include all land, building, and facilities.

Persons are to report violations of the Code of Conduct to the Vice President for Enrollment and Student Success. As members of Clinton College, students are also subject to city, county; state, and federal laws. Legal action in addition to College disciplinary action may take place. The College has developed minimum and maximum sanctions in the disciplinary decision
making process in order to ensure fairness.
